Building on yesterday for today and tomorrow characterizes 1978-1979 at North Scott High School. An increase in enrollment has brought about a demand for expansion of the building and its curriculum. North Scott has responded by building on additions to offer more classes. When the school was built in 1957 it was engineered to allow for future expansion. The first major growth was felt in 1971. A new gym, larger library, science lecture rooms, D-Hall, and the commons were some of the new changes.

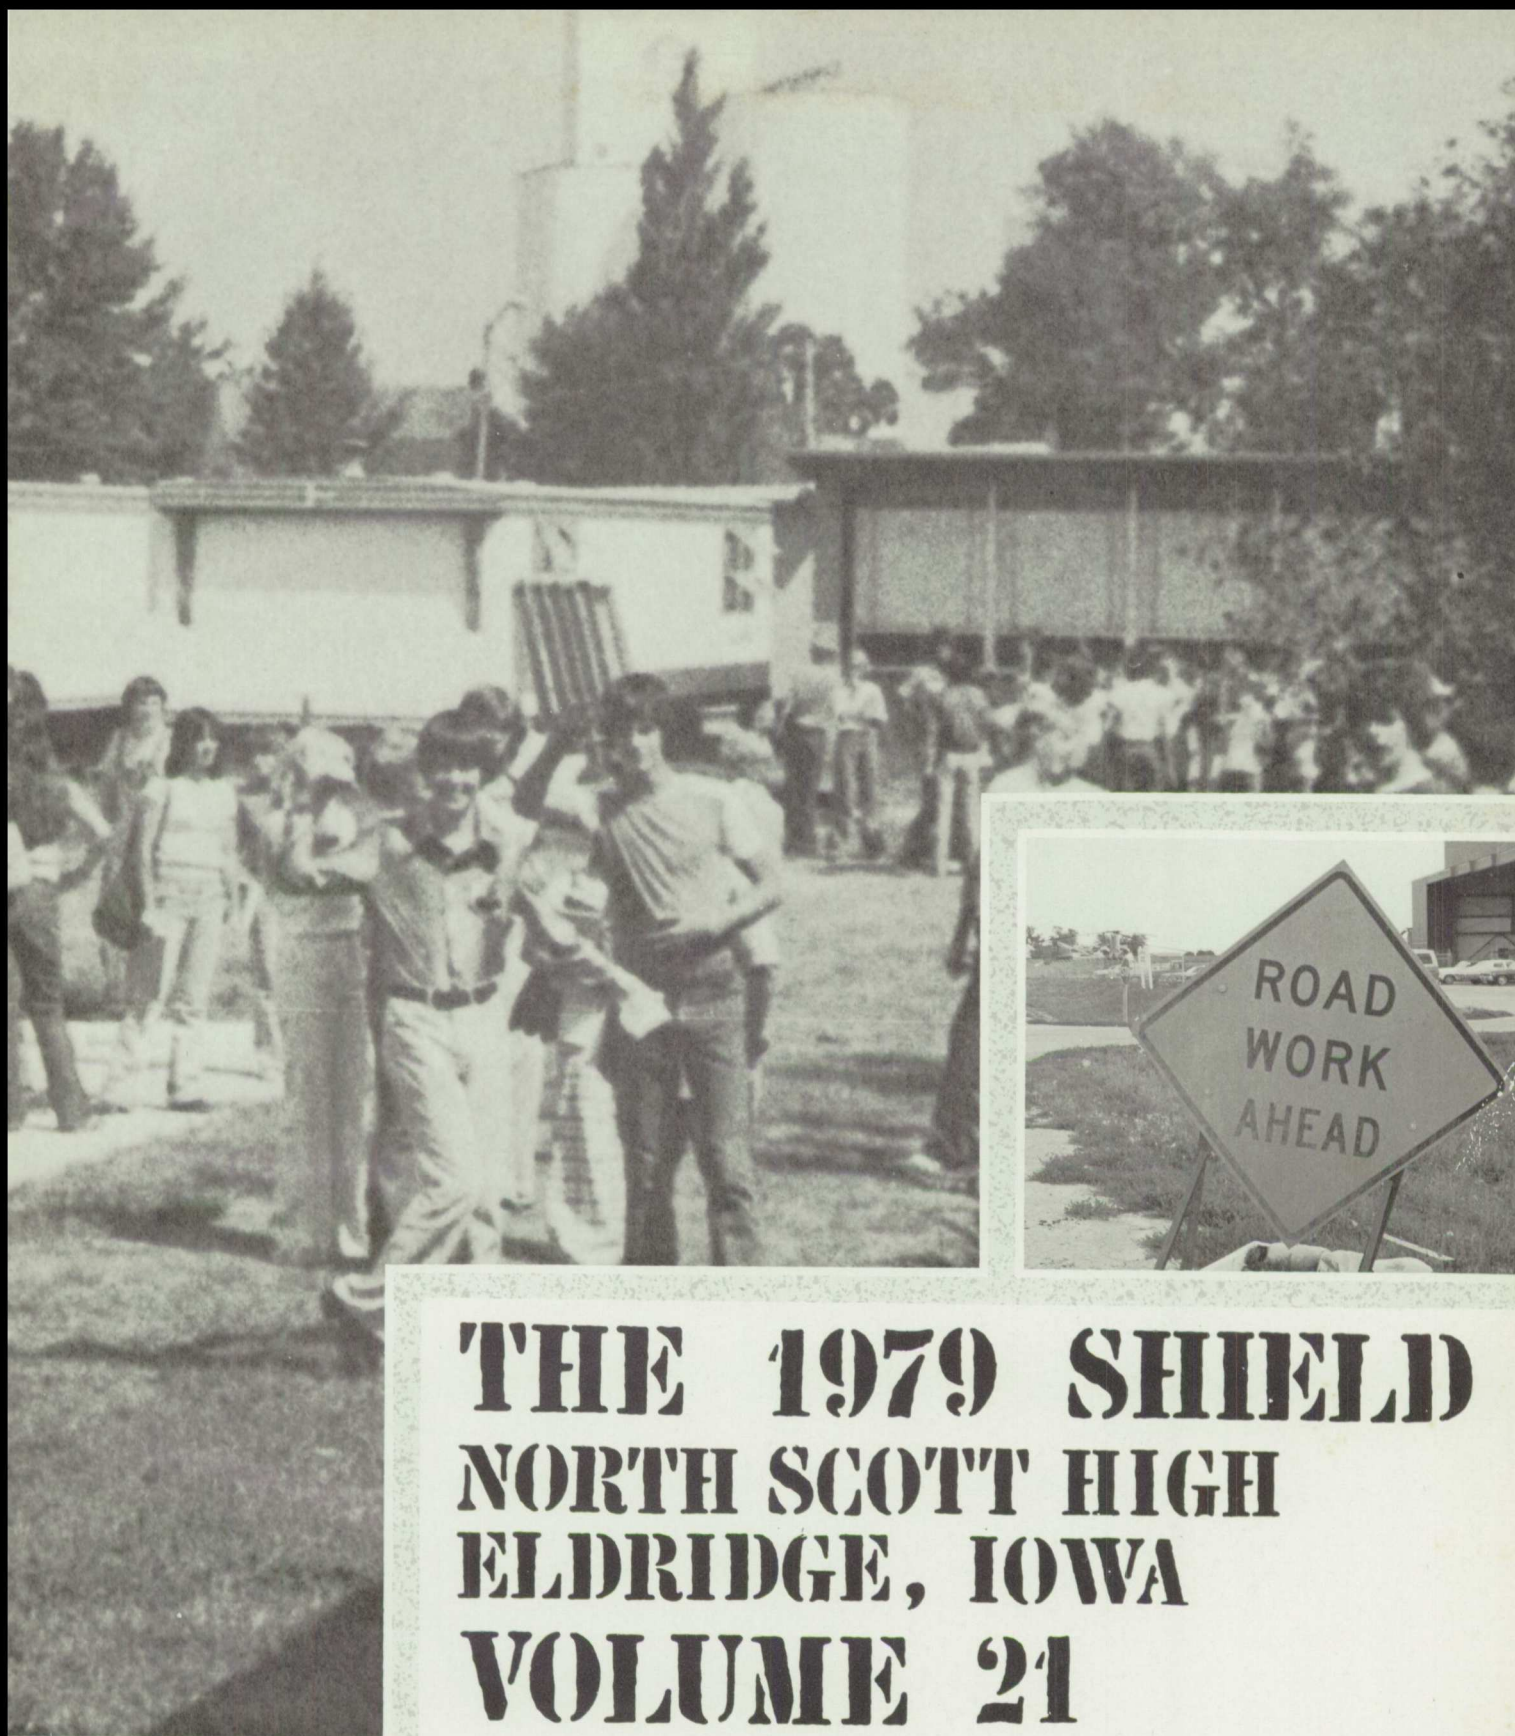

This year we have tried to capture the mood of this expansion feeling. In 1979 the most notiable changes have been the new industrial arts section, more science lab rooms and the auto mechanics shop. Our second sign of the changing times was the joining of the new Mississippi Eight Conference. With this move came the building of the new home bleachers and an expanded emphasis on athletics.

We hope that this book will show some of the vast changes brought about since the school was first built.

RELATING EFFECTIVELY AND CREATING HARMONY became a reality at North Scott High School on February 6, 1979. The program was designed for our school after a lengthy faculty study of the successful nationwide teacher/advisor system first created by Dr. Keigh Hubel of Southwest Missouri State College.

REACH groups were formed through a type of draft in which students selected possible advisors. REACH groups, in many cases, combine members from all four classes. Meeting once each cycle for thirty minutes, REACH offers members time to accomplish set goals.

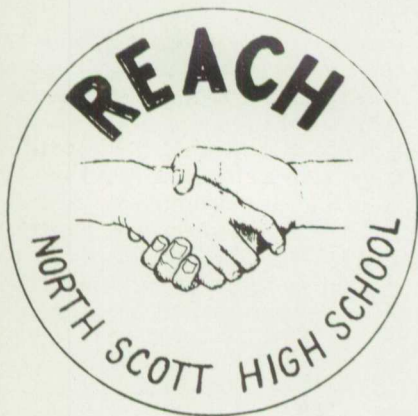

Selection of courses, assessment of individual strengths and weaknesses, a study of career options (using the Department of Public Instruction's PROCESS), and exercises to develop a more positive self-concept and more tolerance of other people were some of the activities of the REACH sessions.

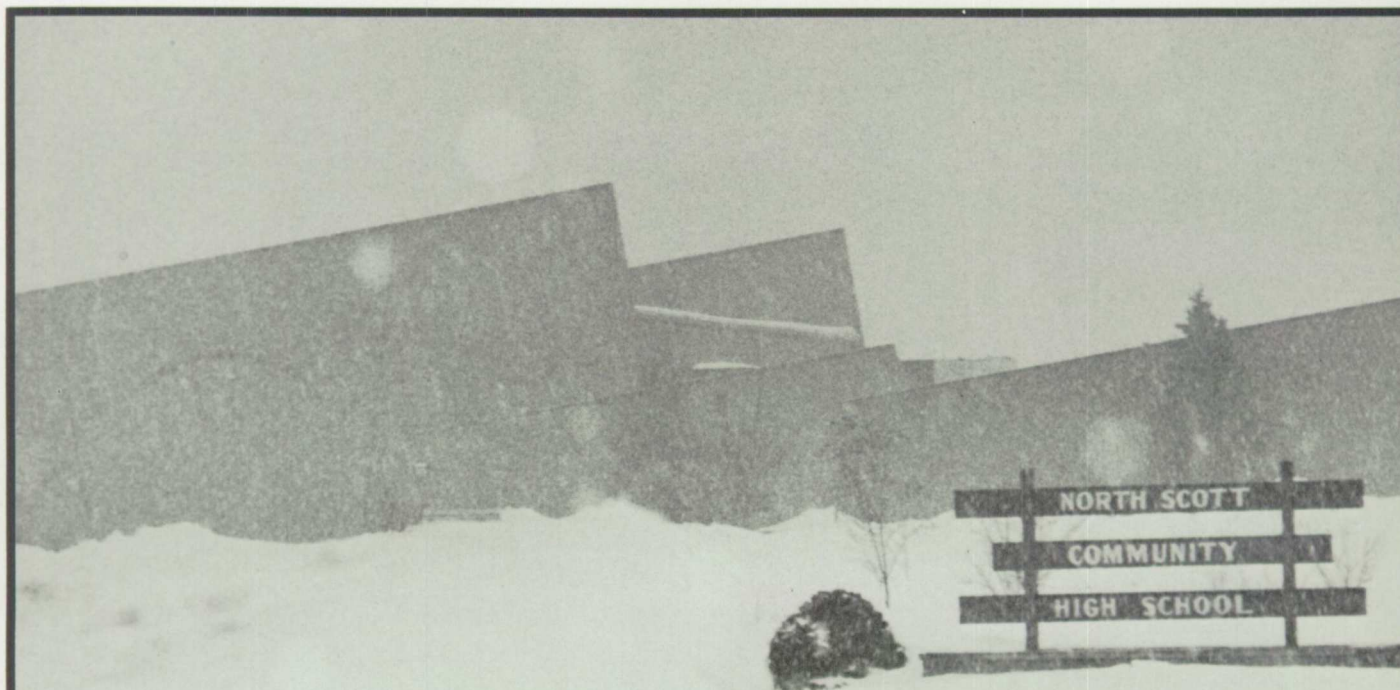

PROJECT REACH GOALS

1. To help people be more concerned about each other and develop caring relationships.
2. To make school a more humane place to be.
3. To help students accept more responsibility for their decisions.
4. To help students learn more.
5. To clarify students' interests and abilities.
6. To provide an opportunity to talk about meaningful things.
7. To help students develop a more positive self-concept.
8. To help students examine and select long- and short-range goals concerning their future.

-27° SNOWDRIFTS CANCEL DAYS

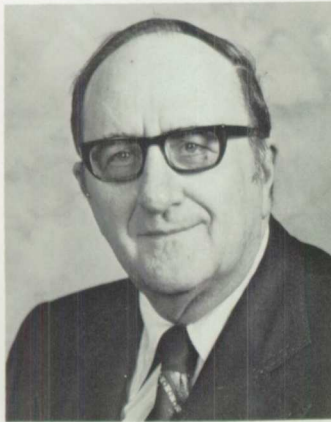

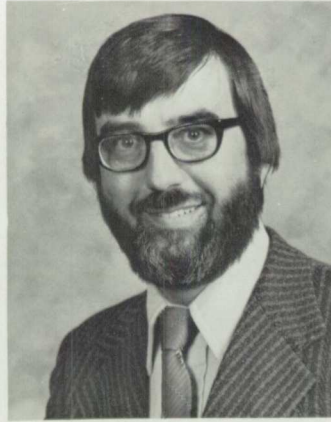

"Good morning. Today's forecast shows more snow, which ties the record held in 1879 of 25 inches. The weather for tomorrow will be bitter cold with the lows at about 30 below and a high of about 0 during the day. This has lead to numerous cancellations. The North Scott district ..."

At first the vacation was a welcome one. Getting out of school is always something to look forward to. But then there was more snow and pretty soon it was a matter of fighting to leave the house. Drifts as high as 10 ft. were not uncommon on the country roads. Snow plows worked 24 hrs. a day to help stranded people.

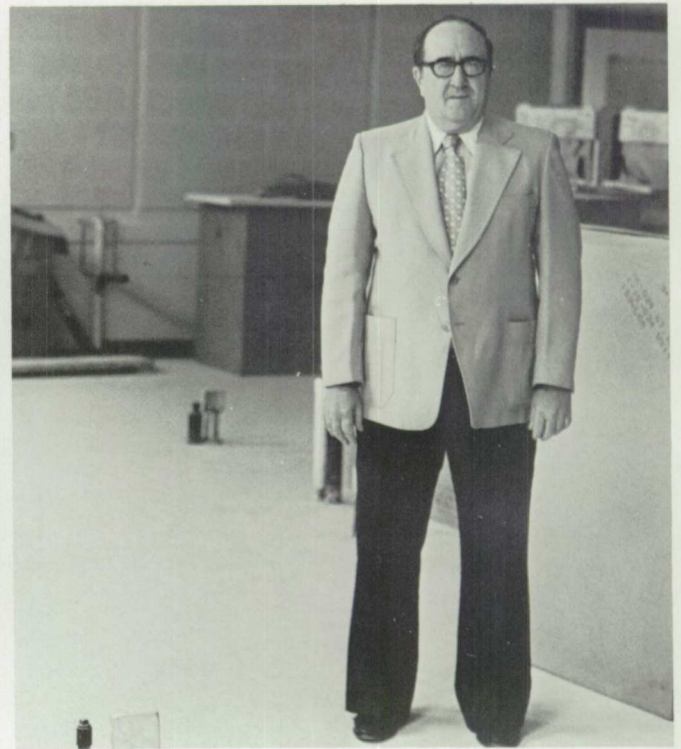

After the snow stopped came the drop of below zero temperatures. Frozen fingers, and car engines that wouldn't start. To make matters worse were high winds which would sometime blow roads shut again. This winter proved that it wouldn't be forgotten even after the snow was gone, with school being held in June to make up those missed days.

HARLAN ROHLK RETIRES

After twenty-two years on the North Scott Board of Education, Mr. Harlan Rohlk resigned in the fall of 1978. With the district since its inception in 1956, Mr. Rohlk was a vital part of the care and growth our district has had. His concerns were many, but he will be best remembered as a North Scott 'founding father.'

Administering the North Scott Community School District and North Scott High School is an enormous job.

Mr. Jim Bell won election to the school board in the fall, and Mr. Jim Tank was elected president. The additions to the high school and project REACH were two major board concerns.

Mr. Frank Wood became full time athletic director and activities manager. Schedules and fund raising came out of his new office.

Mr. Ed Fischer was named a state committeeman to the Larger Secondary Schools Committee of the National Advisory Board of the National Association of Secondary Principals. Mr. Fischer attended his first meeting in Huston, Texas in February.

Mr. Steve McNicol represented North Scott at various local functions and state meetings. His report on discipline at North Scott to the board and published in the North Scott Press was an important part of 1978-79.

SCHOOL AND POLICIES VIEWED

Mr. Boland aides with a schedule conflict.

The Guidance Department Newsletter, in its second year, brought news and help home for NS students. It brought news of the three major guidance department sponsored events:

The College Information Day brought students from 19 colleges to the commons on the afternoon of December 21. This opportunity to talk to students was very informative.

The Financial Aid Seminar was rescheduled for February 8 because of the blizzard. It was an informative evening for the 31 parents that came to find out where money can be found.

The Issues and Answers for Modern Parents nights on March 20 and 22 was a unique opportunity for area parents to listen to area psychologists and mental health center personnel talk about issues received from a questionnaire issued at the Jr. High conferences and elementary open houses.

It was a busy year for the counselors as they encouraged students to fulfill their future goals with meaningful activities this year.

A new freshman curriculum highlighted the language arts program this year. It was a multi-level approach to basic skills. A trip to view Agatha Christie's, **Death On The Nile** for English I classes was an enjoyable break.

The new English resource room in C-19 was a new area for the teacher's aide and supplies. Mr. Len Cockman and Mrs. McClurg served on the executive board of the Mississippi Valley Council of Teachers of English.

Teachers implemented a new spelling program for English I and II aimed at improving spelling skills for students on six different levels.

Mr. Mohr and Mr. Hennigan were new members of the department in 78-79. Mrs. Diane Hall served as the teachers' aide while Miss Shannon replaced Mrs. Menke in the P.E. Department in November and December.

Mr. Gene Conrad smiles after an issue is finished.

The Lance Editors

The Lance began Volume 20 with a new design format. Wider columns, a new masthead style, and the bold line around the front page modernized the Lance for 1978-89.

Changes also took place on the staff, with a new editorial board headed by **Chris Ryan**, editor in chief. **Tom Petersen**, assistant editor, **Karen Olds**, business manager, **Jeff Elwood**, photographic editor, and **Jim Williams**, artist, completed the administration of the staff.

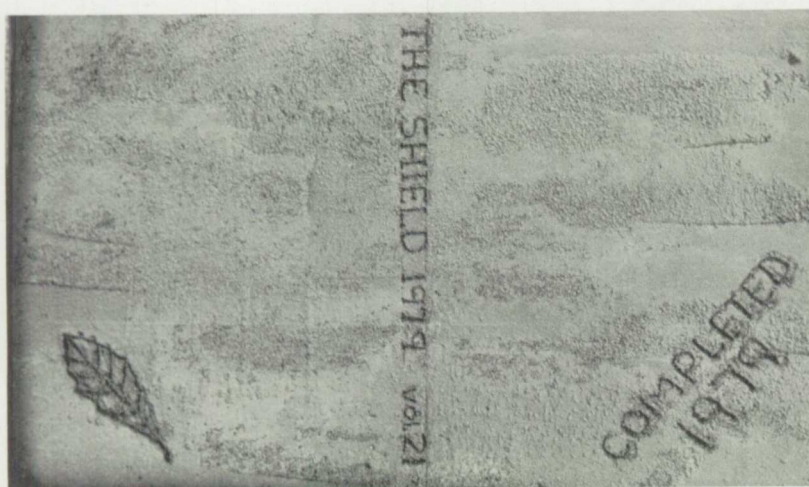

During the summer, The Lance sent Tom Petersen and Jeff Elwood to an Iowa City workshop. Another learning session took staffers to Ames with the yearbook for the Iowa High School Press Association convention. Chris Ryan, Tom Petersen, and Andy Harry attended a weekend Journalism Education Association convention in St. Louis. Adviser Mr. Gene Conrad provided moral support and transportation.

BUILT BY MIKE'S CREW

The Shield staff began to get concrete ideas for the 21st edition at a Coe College seminar held on August 10, 11, and 12th. Soon after basic plans for the book were developed. Advisor Mr. Len Cockman treated the editors to a weekend in Minneapolis, where they attended a National Scholastic Press Association workshop. Some staffers also travelled to Ames where they listened to a series of lectures on yearbook planning presented by the Iowa High School Press Association. Under the supervision of chief editor **Mike Zimmer**, were assistant editor **Doni Van Ryswyk**, activities and academics editor **Mary Thee**, music editor **Jennifer Hill**, sports editor **Marcy Anderson**, and business manager **Julie Williams**.

LIBRARY BUSY PLACE

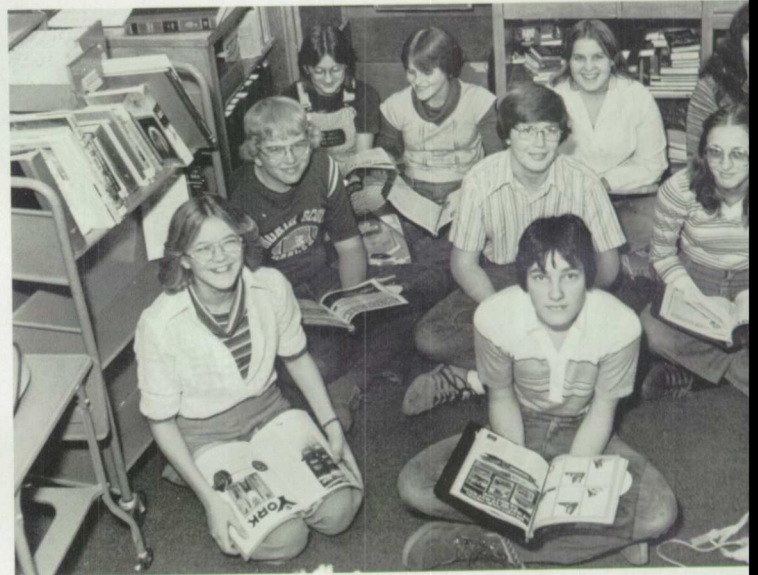

Five hundred and twenty-eight new volumes and magazines on microfilm were added to the NS library collection this year. Mr. Coffman, librarian, and Mrs. Young, circulation clerk, head one of the busiest departments in our school.

The continuing jobs of production, class projects, faculty service, circulation, student help and acquisition are done in the library.

Adjacent to the library is the study hall. It is close for students to use for anything from reading the latest magazine to doing a full scale research paper

Take Trip To Puerto Rico

Most people think Spanish Club is where Spanish students go to practice their Spanish fluency. This idea is wrong, however. The club is a place where students meet and talk, in English, about things they can do to involve more students in foreign languages.

The club is especially interested in traveling to Spanish-speaking countries. Mexico was visited in the summer of '78. The '79 seniors plan a trip to Puerto Rico for this summer.

The 1978-79 officers were **Becky Schatz**, **Theresa Blondell** and **Susie Monkman**.

PLUMBING PROBLEM Holds Up Science Additions

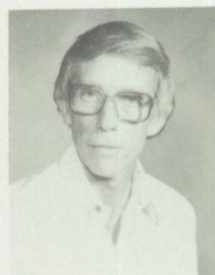

New faces and new facilities characterized the science department in 1978-79.

The \$135,000 worth of additions included a new large group science room, two new labs, and a new office area for our future scientists. Unfortunately they were not all ready until late in second semester. But classes moved in as space was available.

Mr. Brad Merrick, Mr. Rick Newmeister, and Mr. Jeff Newmeister were added to the staff.

Changing class meetings for General Science to two large group and two lab days helped the teachers and students.

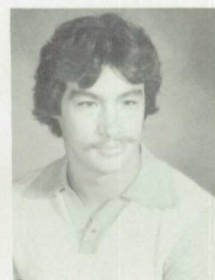

Advanced Biology scheduled a camping trip to Yellow River in Northern Iowa and a visitation to an anatomy class dissection at the University of Iowa in Iowa City.

ADDED PROGRAMS INCLUDE COLLEGE CONNECTION

For special students with special needs many programs expanded at NS this year. Miss Jane Bergendahl headed the Special Education area with six teachers organizing the programs.

A special class with integration in regular classes was conducted by Miss Kathy Yeager. Her fifteen students worked in regular classes as much as possible with extra help.

Miss Mary Ann Hamilton provided learning in a disabilities resource room for her 18 students to visit periodically throughout the cycle.

Extra help was also provided by Mrs. Joyce Crone in a multi-disabilities resource room for 18 students.

The newest addition was the vocational studies program in conjunction with Soctt Community College where Lancers spent part of their day on the SCCC campus in areas such as mechanics and health care. Mr. Mike Benewich headed the program.

The NS special education classes are part of the Mississippi Bend Area Education Agency program in cooperation with North Scott Schools.

Mr. Steve Schroeder joined the business education department, taking the place of Mr. Ron Brown, who left his business ed. post this year to teach math full time.

Slight changes were made in the beginning typing objectives to provide for students who had been subjected to junior high typing.

Another curriculum change involved the dropping of business math.

Related to the business department is the Junior Achievement program. Junior Achievement Company members earn salaries, compete for prizes, and are given credit toward high school graduation. The purpose of the organization is to give students business experience as they develop a product, promote it, sell stock and then manage profits. OEA, or Office Education Association, is 13 members strong

OEA allows students to gain work experience with area businesses while getting paid. It also teaches responsibility and decision making.

Students go to classes in the morning, then go to their respective employers in the afternoon. There they must accumulate at least 15 hours a week.

Some OEA sponsored activities included field trips to AIC, Area 9, and John Deere. Also a speaker from Des Moines AIB gave a presentation for the group.

A special dinner was also held for parents of the members.

The Home Ec Club of North Scott holds it's meetings on every third Tuesday of the month. The HENS Club not only offers excitement for its members but also a chance to learn. The club heard presentations from a dietician and a make-up consultant. They took their final trip in May. The HENS Club money-making projects included numerous bake-sales and popcorn balls sales. HENS officers this year are **Teri Cudmore**, President; **Teri Hannum**, Secretary-Treasurer, and **Peggy Strohbehn** is reporter. Advisors for the group are Mrs. Heiman and Mrs. Jespersen. AGE OF MICROWAVE Arrives In NS Home Ec. Dept.

The Home Economics department's purchase of a microwave oven was only one example of their changing outlook.

The oven was put to use by all second semester foods students.

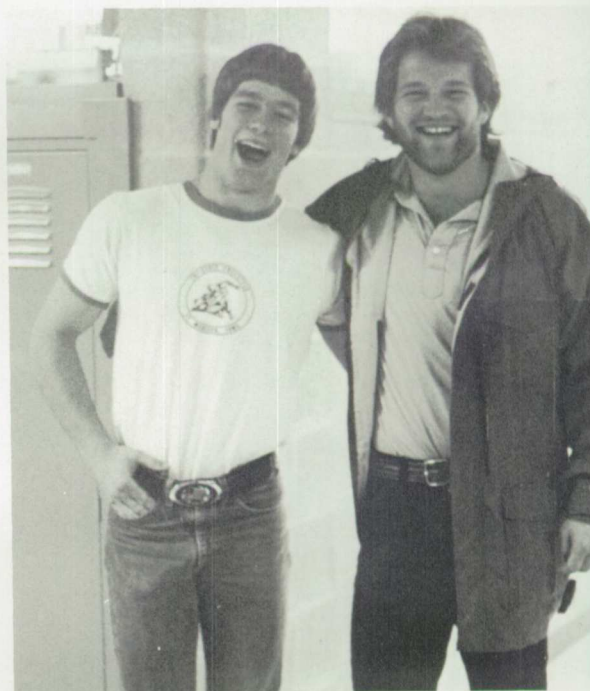

The major goal of the department is to stress the idea that home economics has something to offer both sexes and isn't for girls only. This has helped to shape some new courses that the department would like to see initiated in the near future. One of these would deal with independent living and would touch on sample cooking, sewing, economics, etc. This year's officers were: **Teri Hannum, Peggy Strohbehn, Michelle Cudmore, and Teri Cudmore.**

Lois Pregler shows that men aren't the only auto geniuses.

Mr. Johnson found he has made it through another ride.

COURSE CHANGES

NEW TEACHER — NO SUMMER CLASSES

Driver's education requirements have taken a drastic turn-around this year. In the past, it was necessary to complete driver's education to graduate. However, this requirement was dropped. Also, summer school was discontinued, because of parents who objected to the conflicts it would cause with summer vacation plans. To accommodate the students who were planning to take it at that time, a new instructor, Mr. Crawford, was added to the staff, joining Mr. Nevenhoven and Mr. Dennis Johnson. Mr. Nevenhoven stresses that the requirement change wouldn't alter the credit a student will receive for the course.

STUDENT CONGRESS OFFICERS

This year the North Scott Student Congress started out under a new format. Late last year six members from each class were chosen by fellow classmates as members of the congress. These congress members then elected officers: **Peggy Geary, President; Doni Van Ryswyk, Vice President; Monica Seghers, Secretary; and Duane Amhof, Treasurer.**

Under the supervision of advisor Galen Howsare, several summer meetings were held planning for the upcoming year. Two car washes were held as well as a new teachers cookout at Scott County Park to welcome the 17 new faculty members to North Scott.

A Leadership Workshop, under the direction of Cal Holdbroch from ISU was held prior to the beginning of school. On self-scheduling day students had the opportunity to sign-up for various committees.

Student Congress' first major project this year was homecoming. Many major changes took place, such as the crowning of the Queen was moved to Thursday and a Friday afternoon parade and aud took place.

We elected home room representatives in the fall of 1978 not knowing that the home room system would be on its way out the door into the past as the new R.E.A.C.H. program came into existence second semester. Under the direction of Mr. Galen Howsare the homeroom reps met infrequently to do jobs requested of them. The yearbook staff ran its sales campaign using the talents of the homeroom reps in 1978. While they remained in office for the entire year, their need was soon diminished with the advent of R.E.A.C.H. They were the last.

The Lancer chapter of the National Honor Society held its annual sock hop after the Central-North Scott game on September 22. Keith Hentrick served as the emcee for the dance.

The NHS sponsored a team to WOC's High School Bowl, which fell to the team from Burlington High School on December 18.

The annual banquet, held on March 6, initiated new members with speeches on leadership, scholarship, character, and service.

This year's officers were: **Jayne Tombergs**, president; **Monica Seghers**, Vice President; **Cathy Zimlich**, Secretary and **Brian James**, Treasurer.

A planned spring field trip picnic closed out the year's activities.

FCA MEETINGS:

MOVIES, HUDDLES & ARCHIE

FCA is an organization of young people gathering to together for fellowship within the school. It is open to everyone with any or no religious background. The foundation is built on the huddles. These are small groups in which students get answers to life situations and problems based on God's word. Along with the huddle, FCA has special events such as movies, speakers, and retreats. The highlight of the FCA year came on April 23 when two-time Heisman Trophy Winner and professional football player for the Cincinnati Bengals, Archie Griffin, was a guest speaker to a very receptive audience. Some of the movies FCA sponsored are "Distant Thunder," a sequel to "Thief in the Night" and "Night Song." This years officers were: President **Duane Amhof** Vice President **Craig Power**, Secretary **Peg Geary**, Treasurer **Dane Courville**, Social Chairman **Don Green**.

The North Scott Future Farmers of America found themselves faced with a very busy schedule. Some of the members attended the American Farmer's Awards in Kansas City. There they heard speeches from Paul Harvey and President Jimmy Carter. The FFA also attended various beef shows to help members for their own fair projects. They also sold seeds, fruit, and cheese. The North Scott FFA was under the leadership of **Peggy Claussen**- president, **Terry Ralfs**- vice president, **Tony Saladino**- Treasurer, **Chuck Dierickx**- sentinnel, **Bart Costello**- reporter, **Deanna Claussen**- secretary, and Mr. Keith Schmidt-advisor.

'HOME' WORK

14 SENIORS BUILD HOUSE

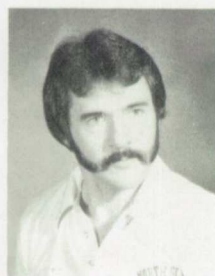

Learning a trade by actually working. This phrase can best describe the home building class, a program in its second year which so far has been successful. This year the class was lead by Mr. Jack Dudley. One year of carpentry is required before being eligible for the home building class. Fourteen select students are allowed in the class. These students in turn build a house. Students also work with sub-contractors being exposed to fields of electricity, heating, and plumbing. The students participating in the course were Bob Ferrel, Tim Decker, Brian Mohr, George Braden, Kurt Swanson, Rick Reed, Roy Sandercock, Matt Arnold, Dean Glunz, Brian Franklin, Allen Claeys, Dave Meiers, Dave Haycraft, and Mike Zimmer.

Attention is on **Craig Waetke** at rehearsal.

The girls join **Terry Albrecht**.

Oklahoma came to Iowa for a three day run November 9, 10, and 11. Mrs. Judith Hughes Jacobs assembled one of the largest casts ever for a fall musical. Mr. Harvey Perrine built houses and trees; Mr. Keith Haan directed the music; Doni Van Ryswyk served as student director.

Accompanying the cast was Mrs. Teri Wittkowski on piano, Melanie Schmidt, percussion, and Sheryl Darland, base guitar.

Set in Oklahoma at the turn of the century, this Rogers and Hammerstein musical tells the romantic tale of Curly

and Laurie and the Skidmore ranch.

Lancer Productions presented this beautiful romance to famous tunes like "Oh, What a Beautiful Morning," "I'm Just a Girl Who Can't Say No," "People Will Say We're In Love," "Everything's Up To Date In Kansas City" and "The Farmer and the Cowman Should Be Friends."

With people like Jud and Ali Hakim the country provides characters of all kinds for serious thought and much laughter.

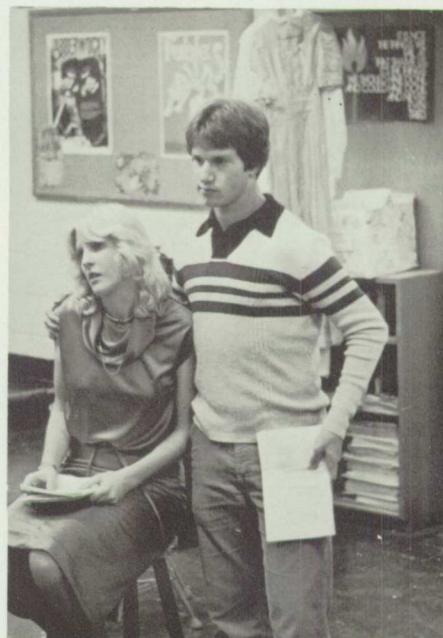

Sarah Mortenson and Doug Amhof share a mirror.

Participating in one act play this year were Sarah Mortenson, Jayne Kuehl, Terry Hannum, Robin Marti, and Kristen Voelkel. They performed the humorous piece, "Some of My Best Friends are Smiths," at Maquoketa.

The choral readers performed "Animal House" at District Speech contest. These students were Becky Groe, Beth Gariepy, Mark Wolfe, Chris Meyers, Tami Hutson, Teresa Heggen and Ruth Bailey.

North Scott's first dinner theatre production was performed on February 16 and 17, 1979, in the high school commons. The humorous selection chosen for entertainment was "The Good Doctor".

The Good Doctor was divided into a series of vignettes

or scenes: The Writer, The Sneeze, The Governess, Surgery, Too Late for Happienns, The Seduction, The Drowned Man, The Audition, A Defenseless Creature, and the Arrangement.

Appearing in The Good Doctor were Dave Baker, Joe Wulf, Robin Marti, Craig Waetke, Terry Hannum, Linda Weis, Jayne Kuehl, Gary Fruechtenicht, Kurt Swasson, Kevin Lindaman, Mark Main, Al Hobbs, Susan Clark, Dave Brown, Paul Carter, and Doni Van Ryswyk.

Dinner Theatre's pre-show performers, the Soda Poppers, also served the audience as waiters and waitresses. Meals of either fried chicken or beef stroganoff could be ordered.

MANUFACTURING MUSCLES

The outdoor Friday afternoon pep march provided a hayrack ride through town for some NS students.

The first outdoor rally brings the jr. high together with the high school to cheer the Lancers!

CHANGED TRADITION OUTSIDE MARCH, RALLY END WEEK

A new tradition was introduced with *HOMECOMING '78* and the crowning of the queen on Thursday October 19. This was done to enable her to reign over the volleyball game that night. Newly crowned queen Michelle Steffe then saw the Lancer volleyball team fight their way to victory over the Muscatine Muskies with a five-set thriller.

The days of the week, as selected by Student Congress, were: Monday- Clash Day, Tuesday- 50's Day, Wednesday- College Day on which students boasted their favorite college, Thursday- Hat and Sock Day, and Friday- Red and Gray Day, a North Scott tradition in recent years.

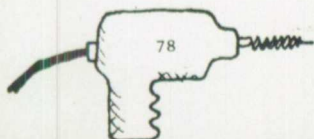

Another highlight of the week was the deck the halls contest which was won by the Senior Class' A Night At The Movies.

On Friday the festivities started with a pep march through Eldridge- a first for North Scott. The march ended in an outdoor rally in the new bleachers on the football field.

All the suspense of the week then came to a climax for Friday night's football game. The Lancers were matched against the Muscatine Muskies, to whom they fell in a 20-14 overtime heartbreaker.

QUEEN MICHELLE STARTS REIGN ON THURSDAY

The 1978 NS Homcoming queen was selected in a three vote process this year. The first vote, by all our seniors, narrowed the list of senior girls to ten; the second and third votes by the entire student body narrowed the ten to five and the five to one: Michelle Steffe.

Queen Michelle Steffe, daughter of Mr. and Mrs. Garry Steffe, is a sports enthusiast who enjoys track, softball, distance running, and cheerleading.

Sharon Spies, daughter of Mr. and Mrs. Alfred W. Spies, is an active member of the NS band, in which she plays the French Horn. She is also the president of the 4-H county council.

Peg Geary, daughter of Mrs. Phylis Geary is an active member of several NS sports. Her hobbies are camping, hiking and arts and crafts.

Monica Seghers, daughter of Mr. and Mrs. Milton Seghers is an active student in several areas of NS, she is the co-captain for the volleyball team and is the president of the band.

Jayne Tombergs, daughter of Mr. and Mrs. Leo Tombergs, she is a member of the NS basketball team and the co-captain of the volleyball team. Jayne is also the president of the senior class.

The cheerleaders form a tunnel for Queen Michelle Steffe and her escort Brian Mohr on their way to the game.

Minutes after the crowning, Queen Michelle Steffe receives congratulations.

Michelle Steffe is crowned Homecoming Queen 1978.

North Scott's Top Ten 1978-79: Front Row; Cathy Zimlich, Janice Welch, and Rebecca Schatz. Back Row; Teresa Nelson, Peg Geary,

Monica Seghers, Jayne Tombergs, Sharon Spies, Sue Carstens, and Michelle Steffe competed for the title of Homecoming Queen.

SCHEDULE ALTERED

HEALTH HELD 3 DAYS A CYCLE

Health class now held three times a cycle in contrast to the one time a cycle, that was previously used. This change was enacted to allow the students to study the subjects more fully. Although the class is mandatory for graduation, no credit is given for it and you either pass or fail. Taking charge of the health department was first year teacher Mr. Rod Vanderheiden.

P. E. classes remained basically the same with the exception of absences. Instead of students being required to write a 500 word paper for each unapproved miss, the requirement was upped to 1000.

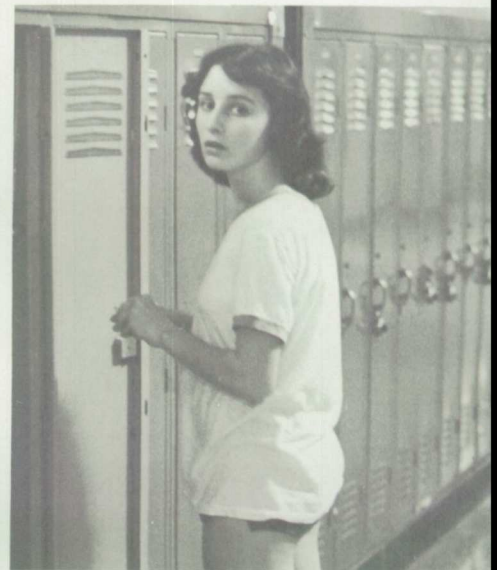

Some first year teachers also helped out in the physical education department, these were Mr. Jeff Newmeister, and Mr. Dennis Hennigan.

'78 PEP CLUB GIVES THEIR SUPPORT

In September 1978 the pep club was again organized. Teresa Nelson was elected president, Cindy Tennis vice president and Lisa Saling secretary-treasurer.

The pep club's most active time of year was during the football season, with a big stress on Homecoming week. The girls were busy decorating and making treats for their "pep pals." They did something different this year having "pep pals" for both the football players and the volleyball team.

They also had a lot to do with the decorating in the halls throughout the year.

Teresa Nelson and Cindy Tennis are president and vice president of Pep Club for 1978-1979.

CHEERLEADERS

ATTEND SPIRIT CAMP

A group of cheerleaders attended a week of camp in the second week of August. The camp was located at Lake Okoboji and there the girls learned a lot of new cheers and had a great time too. The girls also gained some ideas for pep auds in which they take part in throughout the year.

1978-79 was a very busy and hectic year for both the cheerleaders and their instructor. Miss Barb Johnson has some additional help, though, from the new assistant coach, Miss Angela Sundholm, who was basically responsible for the freshman cheerleaders.

Miss Johnson commented that, despite the many activities the girls were involved with, overall they had done a fine job.

The 1978 Volleyball Team finished with a conference record of 8-4. Their conference standing was tied with Central at second place. Co-captains for the '78 team were Monica Seghers and Jayne Tombergs. Team awards were presented at the Fall Sports Potluck November 7th, 1978. Award winners were Monica Seghers; most valuable player, Kris Baughman; most improved player, Teresa Blondell; team hustler and Karole Steffe; team spirit award. Coach Dale Lacina said that there were just a few words that always got the 1978 volleyball team fired up: "Never give up!"

COACH OLSON & STAFF: NEW EFFORTS

The 1978 Football season will always be remembered as North Scott's first year in the Mississippi Eight Conference, playing some of Iowa's largest schools: West High School and Central High. The Lancers had it rough, ending up with a record of 1-8. "The first five games were tough," commented Coach Olson, "but we came back hard the last four games."

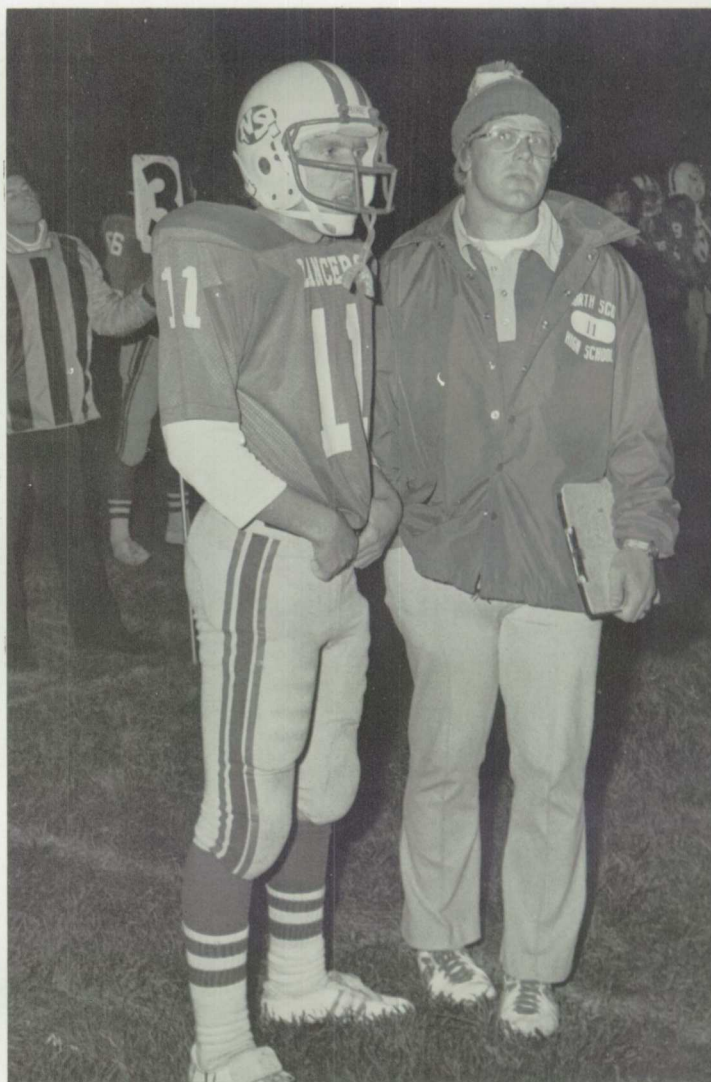

The highlights for the season were the Homecoming overtime with Muscatine and the historic 42 yard safety to win North Scott's only game.

There were new bleachers built and the home side was changed to the west side. New Head Coach Gary Olson brought in the largest coaching staff North Scott has ever had. He did this to better each player individually and to better each area. This year was also the first year to have offensive and defensive teams.

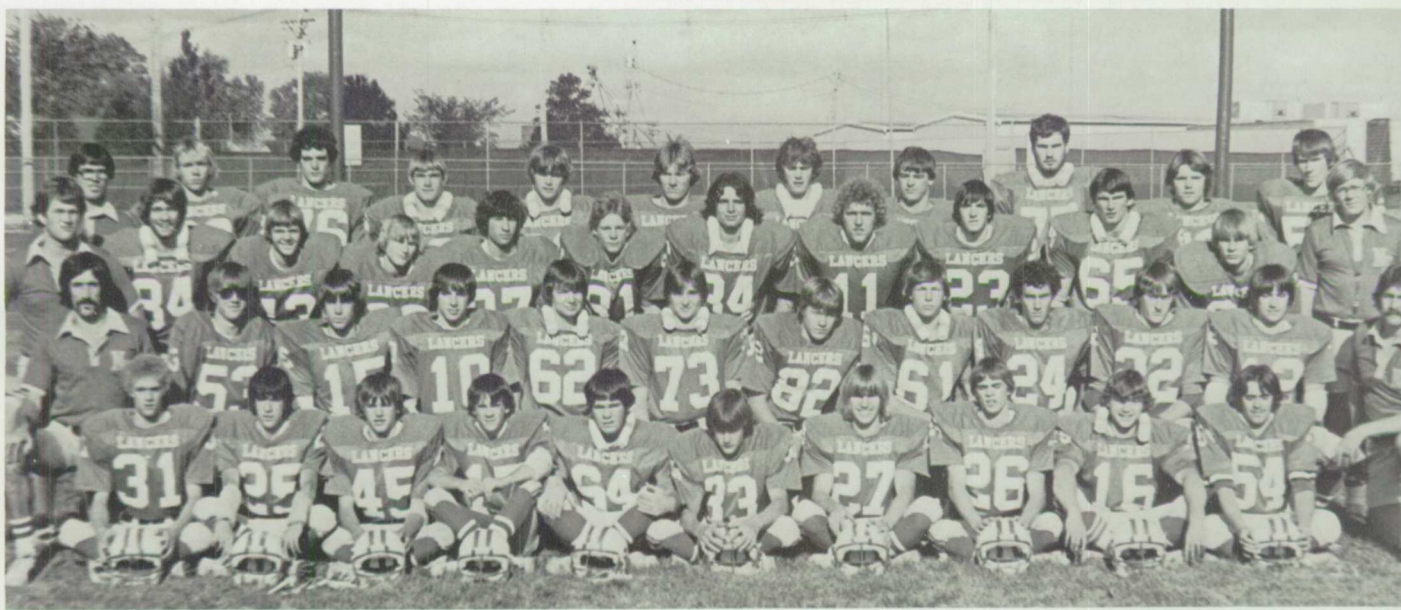

During the summer there was a program for the football players that wanted to get a head start.

New helmets, jerseys, gear and weight equipment were bought for the players.

The area in the locker room that is just for the athletes was carpeted with astroturf and the lockers painted red and gray. This was done to promote team spirit.

NEW TEAMS CHALLENGE

VARSITY UPSETS RATED TEAMS

The 1978-79 Boys Varsity Basketball team ended the season with a 4-10 record under coach Mike Brown and assistant coach Randy Denner. The Lancers first win came against P.V. after losing the first 3 opening games. The boys highlight of the year came when they upset State-ranked Bettendorf with the score of 66-59. They also pulled an upset over a tough Clinton team. There was a lot of experience out on the floor because many of the players were seniors and had seen a lot of action from their junior year.

The 1978-79 girl's basketball season turned out pretty even in their first year in Mississippi Eight Conference, finishing 7-7 for a conference record and 9-9 over all. The returning letter winners were seniors Peg Geary, Lisa Strobbe, Dana Seyfried, Julie Williams, Nancy Klindt, Jayne Tombergs, and junior Denise Boll.

The girls advanced on to the sectionals beating their first opponent Dewitt Central, 80-68. However, they couldn't quite pull in past Davenport West and the Assumption Knights ending their basketball season.

GOOD YEAR FOR TEAMS

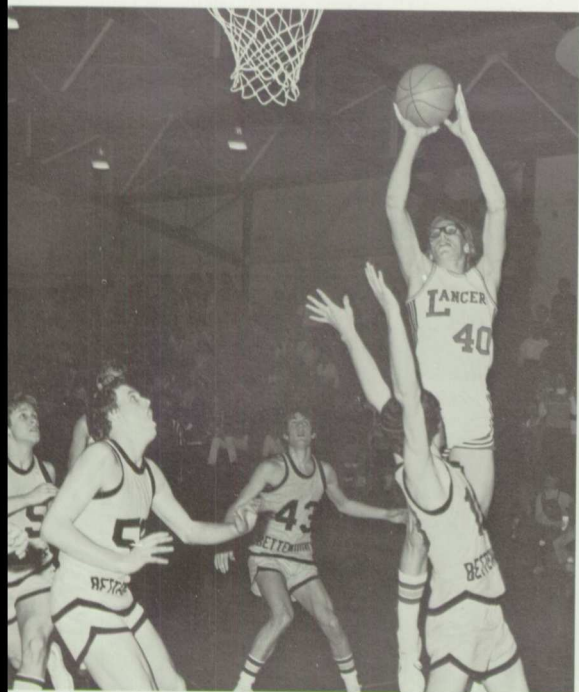

GIRLS & BOYS HAVE FINE RECORDS

Both of the Freshman Basketball teams had a good year. The girls with their new coach, Dana Just, finished the season with an impressive 10 wins - 5 loses record. 1979 captains were Alice Darland and Julie Collins. Coach Just says, "This is a very talented freshmen girls basketball team. I'm sure that with a little hard work and determination this will be one of the finest teams to play for N.S."

The boys Freshmen Basketball team had a record of 11 wins and no loses. Coach Delmar Ryan feels that this team has alot of ability and will to keep improving in the years to come.

Julie Willians and Linda Gieblestien doubles up the defense.

Mark Hoffman puts the ball up in hopes of two points.

Coach Brown goes over some plays during a time out.

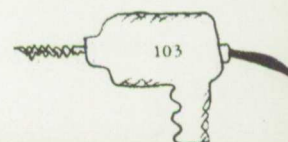

Freshmen Basketball Team: Standing: T. Tank, J. Peters, J. Rasche, D. Ryan, B. Fuller, M. Ashby, R. Kleinsmith, D. Schatz, J. Nelson, K. Lebeck, J. Brown, K.

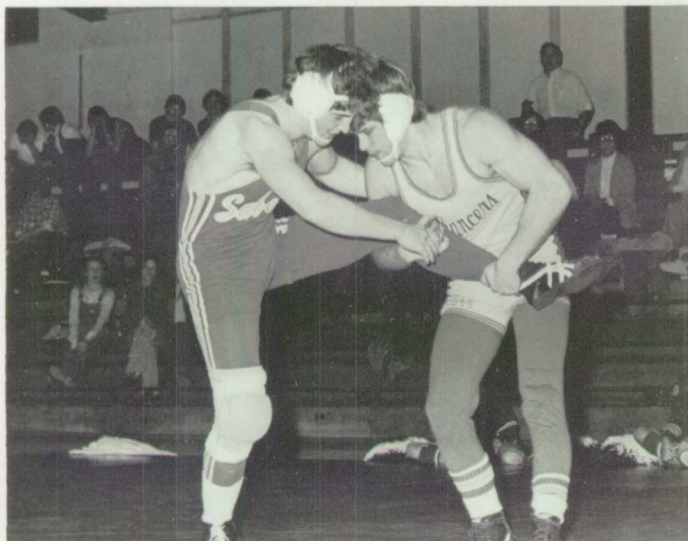

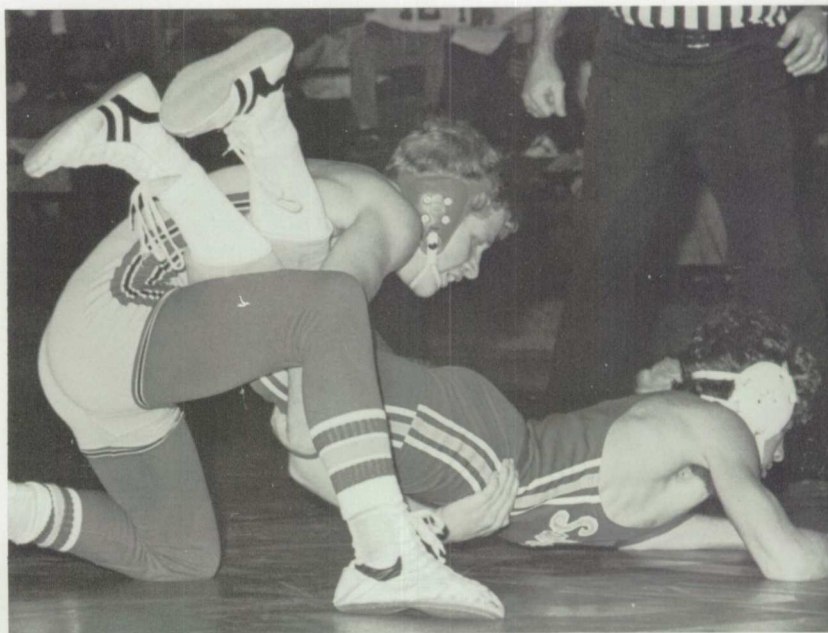

Sanger, P. McGonegle, C. Kluever, C. James, S. Maitlen. Kneeling: J. Janakas, J. Haycraft, Coach Ryan, Manager T. Verhelst.

Brad Hayes looks for another player to help set up the play.

AL CLAEYS WINS 1ST CAPTURES DISTRICT TITLE

Coach Mohr gives Scott McGill some advice before his match.

Varsity Wrestlers: Front row: S. McGill, D. Mackin, M. Liske, A. Claeys. Second Row: J. Costello, D. Scherer, D. Newell, L. Bell.

Third Row: Assistant Coach Newmiester, D. Hedberg, R. Fuglsang, J. Ryan, Coach Mohr, Manager, S. Way.

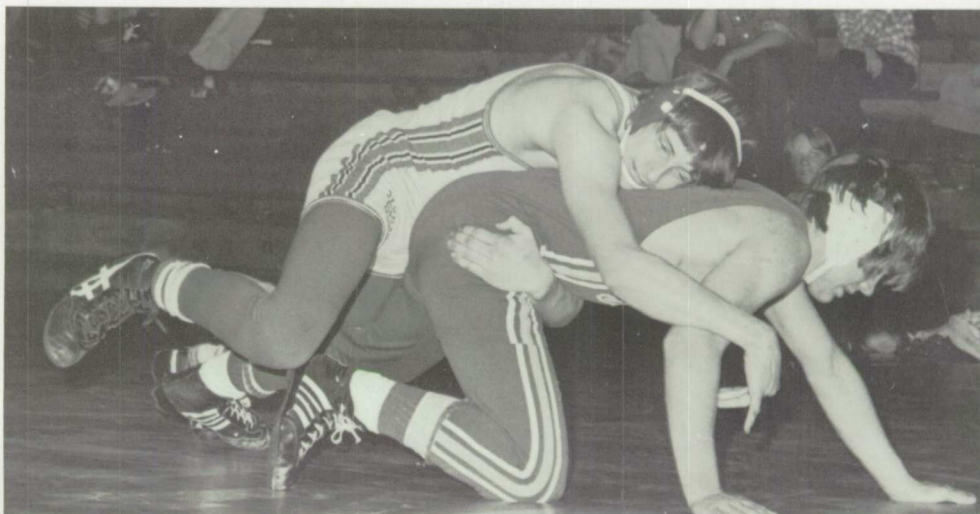

▲ Dan Mackin works for a possible pin.

◀ Ross Fuglsang shows a sigh of relief over his victory.

First year coach Mr. Steve Mohr said that there were some bright spots in this year's wrestling season. The kids worked hard and the ones that wanted to win kept working and stuck to it. They were a lot of inexperienced wrestlers and at one time there were six sophomores on the varsity team. There were four top seniors; Al Claeys, Dan Newell, John Costello, and Ross Fuglsang. Jeff Ryan, also a senior, was out for his first year and made a good effort. Allen Claeys had one of his best years by capturing first place in his weight class at districts. Dale Scherer, a junior, made a fine showing by placing second. John Costello had two tough matches and finished third at districts.

Frosh Wrestlers: Front Row: S. Scull, C. Grieves, R. Williams, C. Jones, B. Morris, B. Schoonover, D. Owens, J. Fransen, M. Buss, Coach Crawford. Back Row: K. Schmidt, L. Grother, T. Tarchinski, J. Reed, A. Anderson.

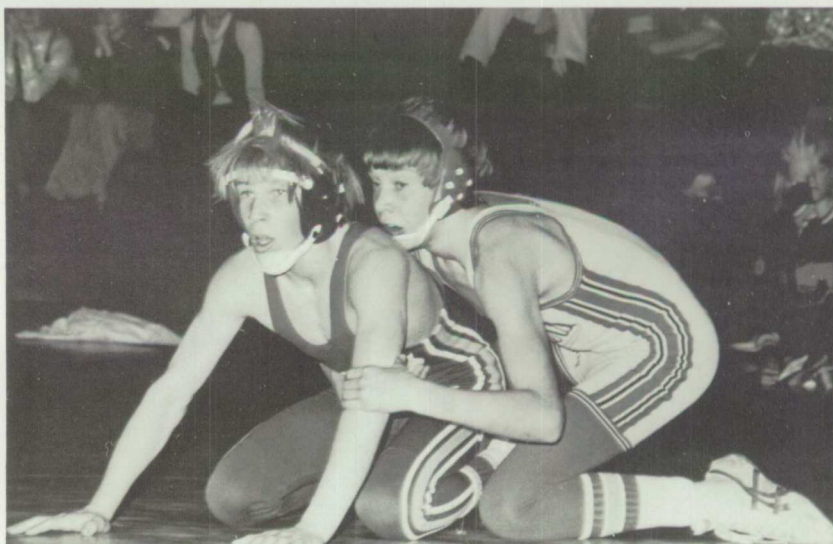

Kim McCubbin hopes for a reversal.

NEW COACHES BRING HARD WORK

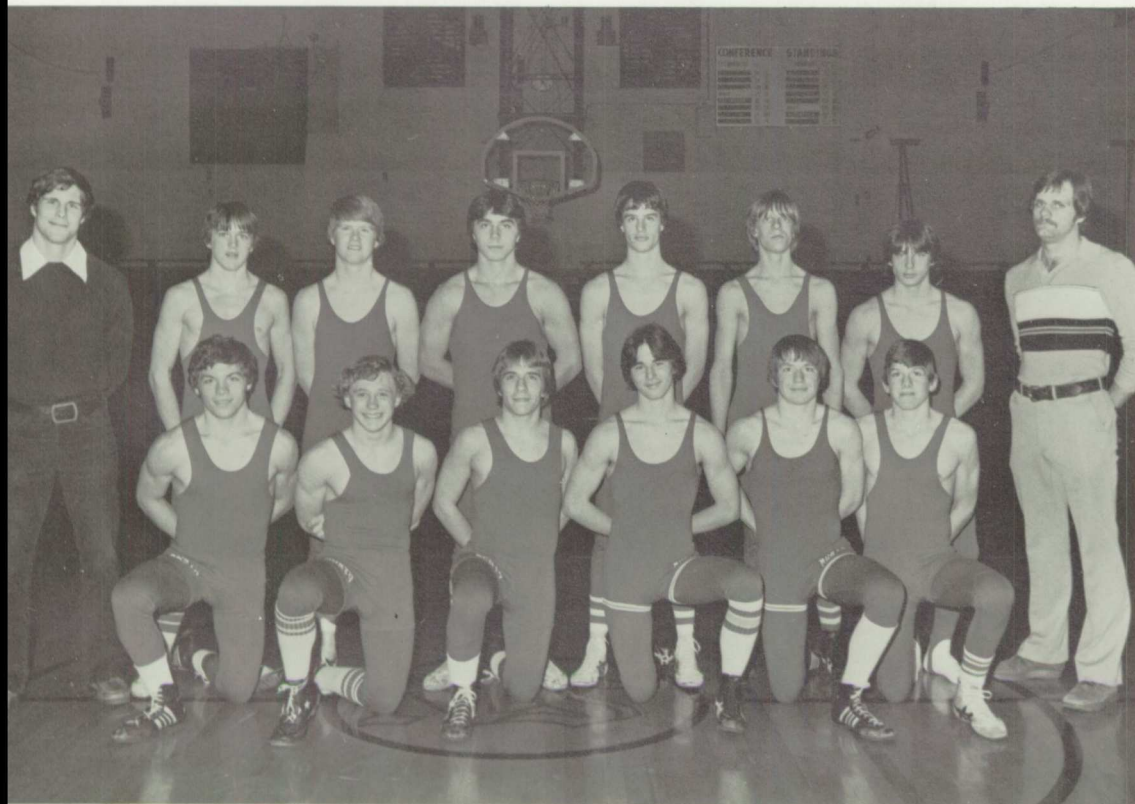

First year freshmen wrestling coach Al Crawford thought his small group; pulling out two victories was promising.

The Lancer Freshmen Invitational saw Chad Grieves take a championship spot. He was the outstanding wrestler with a season of 15-0.

The sophomore team also had a new coach and individuals did well.

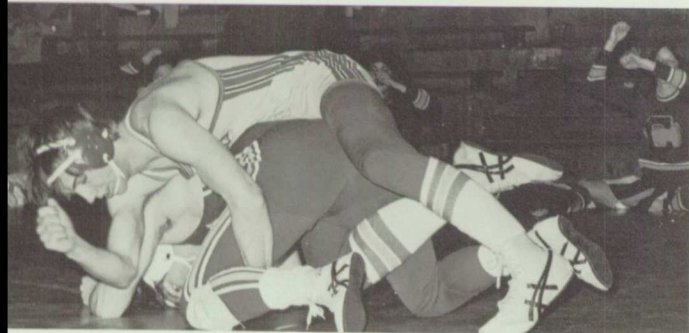

Scott McGill hopes that it was the right decision to take the up position.

J. V. WRESTLING TEAM: Front Row: C. Brase, M. Ferris, K. Lindaman, J. Rousch, J. Kennedy, P. Costello, Back Row: Coach Newmeister, B. Costello, T. Booth, B. Pumphrey, R. Bainter, C. Fredericks, K. McCubbin, Coach Moeller.

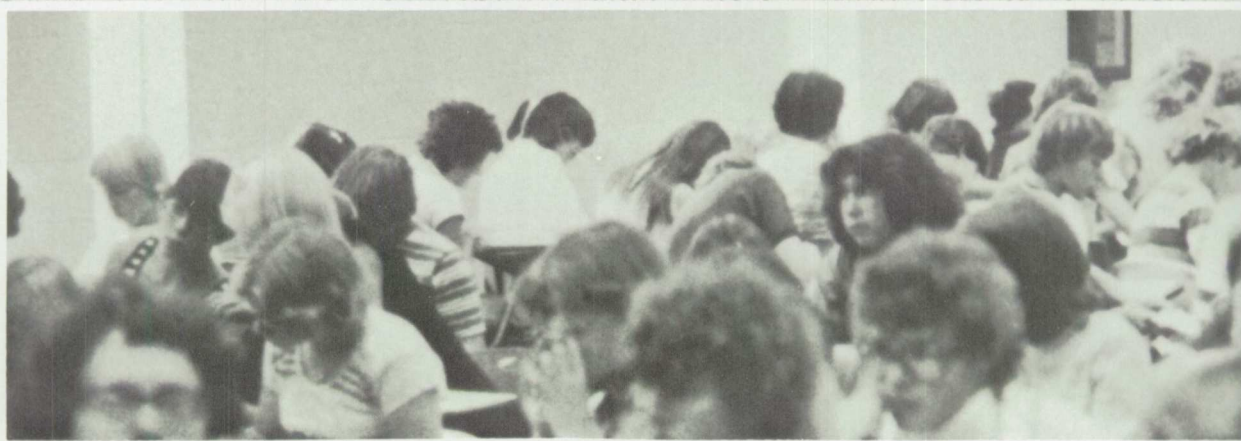

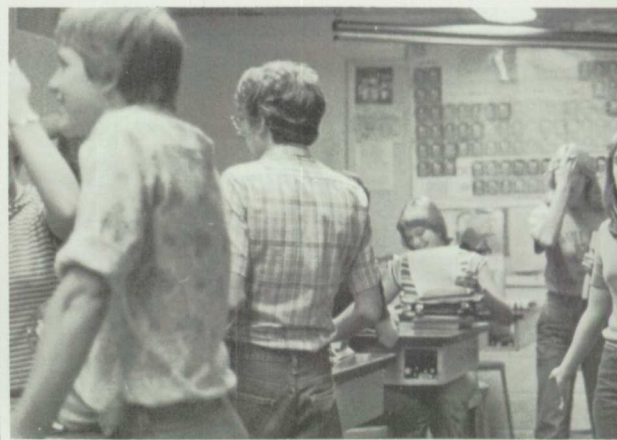

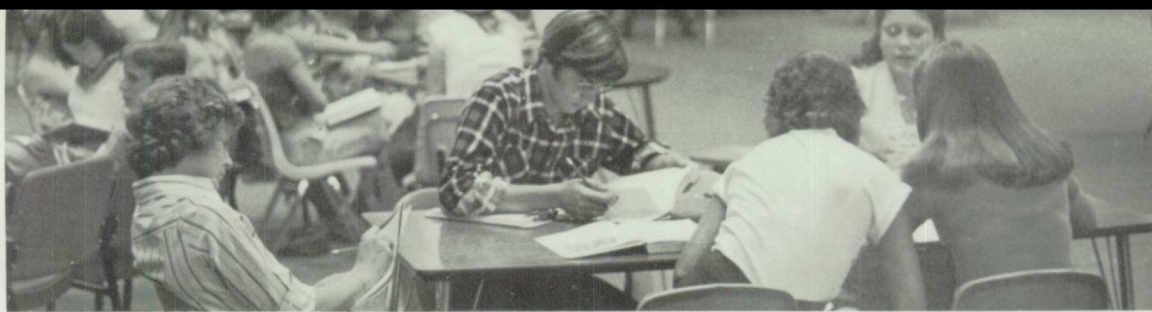

Dale Scherer and Chris Brase practice wrestling moves.

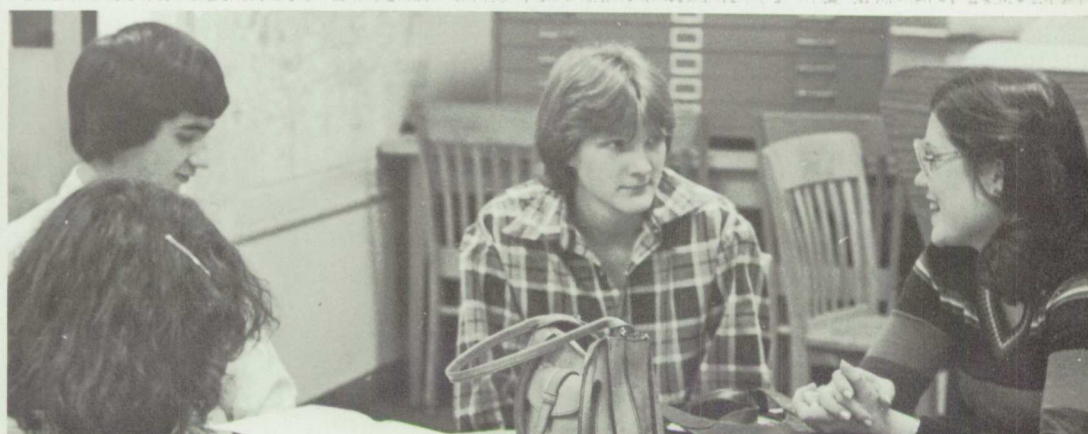

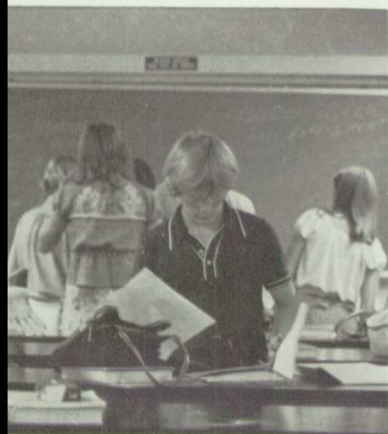

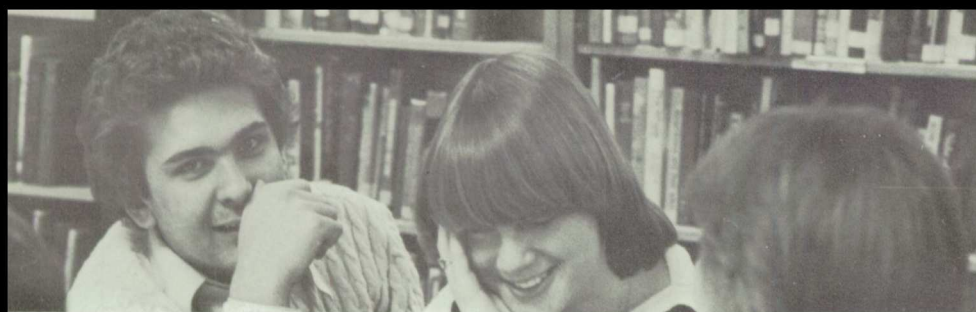

Jean Rousch maneuvers for a possible takedown.

JAYNE TOMBERGS LEADS SENIORS IN LAST YEAR AT N.S.

This year was characterized by the many changes throughout the school. For the 225 graduating seniors these changes only made the year 1979 more special. We have carried on many seniors traditions, while adjusting to a new conference and the new atmosphere it brought with it. As seniors we have discovered a sense of accomplishment in knowing that we have completed our high school years together and are now prepared to go our separate ways. Pictured at left are the 78-79 Senior Class Officers. President **Jayne Tombergs**, Vice President **Julie Williams**, Secretary **Cathy Zimlich**, Treasurer **Dave Carlson**

NANCY KLINDT FINDS REWARDS IN RAISING CATTLE

To **Nancy Klindt**, beef is more than a main dish. Nancy, for six years, has made a hobby out of showing steers. A steer must be located and bought and then it must be fed, cleaned, and groomed regularly. The animal must be trained to perform its best at showtime, approximately 7 or 8 times a year. Nancy's dad and brother also show steers, and since it was also a part of the 4-H curriculum, it seemed ideal. Nancy has won awards in Omaha, Nebraska, and closer to home, the Grand Champion Steer award presented by the Mississippi Valley Fair. Fringe benefits of the hobby include meeting new people, having "a lot of fun going to the shows," and working with animals.

SUE HUNT A TRUE ANIMAL LOVER

For **Suzy Hunt**, horse showing is a full time hobby. She's an active member of the International Horse Association, Iowa & Illinois Horse Association, & the Quad-City Arabian Horse Club. Suzy began riding when she was nine years old, and became so interested she invested her money in two Arabians and her time in weekend horse shows. Some of Suzy's accomplishments include being selected for the Top 5 Regional Championship in the English Pleasure class with participants from three states. Also, Suzy was one of the Top 20 Candidates for Iowa Cowgirl Queen. "I might go into horse training," says Suzy. Why does she find it so interesting? "I just like horses," she replies.

SUE CARTENSEN EXPRESSES HERSELF THROUGH DRAWING

Sue Carstensen has enjoyed art, as she described it, "ever since I can remember." Sue discovered her talent in elementary school and although a great deal came naturally, she has taken a number of art classes to refine her talent. A poster designed and drawn by Sue to advertise Circa 21's "Fiddler on the Roof" earned 2nd place. Also, Sue has displayed her work with the Iowa Area Artists. Sue's favorite mediums are charcoal and oil and she prefers to do portraits of people and animals. Art, Sue says, is so enjoyable because it provides "a way to express yourself and draw things the way you see them."

BOB FERREL'S HOVERCRAFT KEEPS HIM OFF THE GROUND

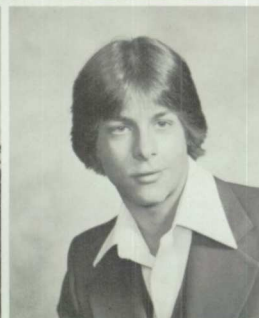

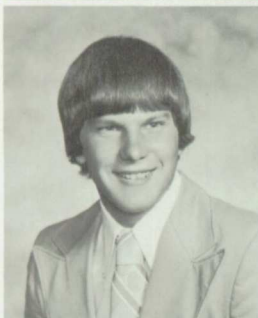

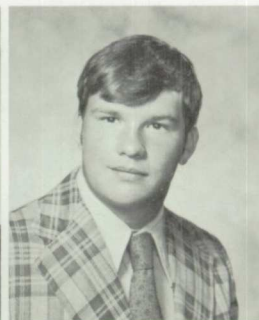

Bob Ferrel claims that someday hovercrafts will take the place of snowmobiles. But now they are only the toys of the elite, and Bob is happy to be in that minority. Hovercrafts are machines that originated in England and operates by floating on a cushion of air.

Bob is a member of the Universal Hovercraft Club of America, which sponsors rallies and has a number of chapters throughout the country. Bob uses his hovercraft year round. It runs on land, where it reaches 40 mph, or on water, where speeds can exceed 65 mph. Since hovercrafts are just beginning to become popular, they are relatively expensive, Bob's cost \$2000, and requires a great deal of maintenance. Nevertheless, Bob thinks it's worthwhile.

THE SKY'S THE LIMIT FOR ROB GRUMIEAUX

While practice may not make perfect, it sure paid off for **Carol Swanson**, a NS clarinetist. After learning of a New Jersey club that sponsored a European trip for high school and college musicians, Carol decided to give it a try. She recorded one of her solos and then sent the tape to the group, America's Youth in Concert. Later she was notified that she had been chosen to accompany that approximately 150-250 other participants on the European tour.

The one month journey took Carol to London, Paris, Geneva, Innsbruck, and Rome. One concert was performed at each of these cities, with the exception of three in Rome.

TAMI SCKNECKLOTH LEADS THE JUNIOR CLASS

The junior class has worked very hard this year to earn money for the Prom. Selling t-shirts and having numerous bake sales contributed greatly to the fund. Juniors were excited about the class rings again this year. After waiting all summer they finally arrived October 3. The junior class officers, pictured at the left are: **Tami Schneckloth**, president, **Ann Wasson**, vice-president, **Lori Siemsen**, secretary, and **Sheryl Keeney**, treasurer. During Homecoming week the junior hall was awarded 2nd in the hall contest. Many college-bound students participated in the 1978 PSAT on October 24.

NATHAN TANK CHANGES TRASH TO TREASURE

Nathan Tank has a unique hobby. He belongs to the Eastern Iowa Antique Tractor Puller Inc. which sponsors antique tractor pulls. During summer vacation, Nathan takes part in contests in various neighboring towns. Nathan owns two tractors. One, a Model B, was purchased by Nathan for \$375. However, taking into consideration the effort and money Nathan had put into the restoration of the tractor, he puts the estimated value at \$700. His second tractor was purchased recently for \$200 after seeing it recently on a television broadcast. The tractor is a 1928 Model D. Nathan says this tractor will be completed in the summer of 1980 and at that time will enter his tractor in the best restored tractor category. Restoring takes Nathan approximately nine months working in his spare time, but this time also depends upon the quality of workmanship wanted.

JUNIOR JOE WULF ENJOYS ENTERTAINING FOR A HOBBY

Joe Wulf is shown as the Cowardly Lion in the 1976-77 Children's Theater production of the Wizard of Oz.

Joe Wulf has a very interesting pastime. He belongs to the Davenport Marycrest Community Theater. He became involved through his neighbors in 1976 when the group first got started. Joe was one of the original members and one of the youngest in the group. There are about 150 members ranging from 20 to 60 years old. Joe was the assistant stage manager for the group's first production, "Hot L Baltimore." The groups performed at the Upham Hall Theater. They usually perform three plays a year, a musical, drama, and comedy. Joe doesn't intend to become an actor but he thinks the theater group can really help a person who wishes to act. He says the atmosphere is very professional and you can learn from people who have been involved for many years.

Joe summarizes his feelings about the group by saying, "I have a good time and I enjoy the people in it."

KEVIN LINDAMAN IS SPIRITED

About a year and a half ago, **Kevin Lindaman** went to a Spirit Inc. concert, a Quad-City based singing group. He liked what he heard and has attended nearly every concert since, only not as a spectator, as a member. In order to be accepted, Kevin was required to attend a number of rehearsals to learn the songs and choreography. Then he was observed with the rest of the group by some members. Soon after, he learned that he had made it. The group, says Kevin, is "semi-religious", meaning that it stemmed from his church, but is not entirely church oriented. The selections are basically current pieces. Everyone in Spirit Inc. attends high school. Spirit Inc. has cut four records and is planning to come out with another this spring. Other fringe benefits include trips to places such as Florida. Kevin plans to keep with Spirit Inc. until he's ineligible, at the end of his senior year. "I really relax and enjoy myself," he says.

JEFF DIERKS GETS BANG OUT OF TRAPSHOOTING

Three years ago **Jeff Dierks** took up the unique hobby of trapshooting. His father got him started in this hobby. Trapshooting is a test of shooting skill generally with a shotgun at aerial targets. In modern trapshooting, the gunner shoots in rotation from five stands, located directly behind and a little to the side of the trap to provide variety in the shooting angle. The distance from the shooting position to the trap is 16 yards.

Jeff shoots at the Isaac Walton League, in El-dridge. Trapshooting is quite an expensive hobby, however, Jeff says, "it takes a little skill but it is fun." He also says he likes precision games.

SOPHOMORES START NEW TRADITIONS AT NORTH SCOTT

The class of '81 brought a new Homecoming Dance Tradition to North Scott with the Mobile Disco. Attitudes toward this change were generally very enthusiastic. For Deck-the-Halls, they chose "Sack the Muskies" as their theme for which they tied for third place. American History, English II, and physical education are the courses required of sophomores. This is the first class that driver's education is not required of the students for graduation.

BLAKE BLASTS BAGPIPES

The bagpipe is a very old instrument. The ancient Egyptians, Greeks, and Romans all had it. Today the bagpipe is thought of as the instrument of the Scottish Highlanders. A Highland bagpipe has five tubes. The player blows into the bag through one. He plays the tune on another. The other three tubes make the droning sound. **Blake Mathison** started to play the bagpipes three years ago. He played for the Dundee Scotts in Dundee, Illinois. They have played in contests in Florida, Michigan, Wisconsin, and Indiana. Blake enjoys playing the bagpipes whenever possible. He says "I play the bagpipes because it is a prestigious instrument." In other words it isn't an instrument you see everyday. Blake also says he would like attend the University of Iowa to play with the Scottish Highlanders.

RORY BRUCKMAN BOWLS 'EM OVER

Fifteen year old **Rory Bruckman** picked up his first bowling ball at the age of two and has been bowling ever since. Rory first became interested in bowling because his mother and father were enthusiasts of the sport. He is a member of two leagues. Rory says he spends an average of three nights a week at the alleys. He has 12 trophies. Three of his favorites, though, are high average of 150, earned two years ago, high average of 164, which he was given last year, and high game which Rory was given for a score of 233. Rory hopes to bowl professionally someday.

DAVE SLY'S HOBBY IS UP IN THE AIR

Being an avid frisbee disc throwing fan, **Dave Sly** joined the International Frisbee Association this past summer. The association is interested in promoting the sport of frisbee disc throwing by hosting local and national tournaments. It also boasts a professional circuit in the United States and Canada.

Frisbees are becoming a popular pasttime in the United States. Dave enjoys it not only as a hobby but as a sport. This summer Dave will qualify for his Expert Card in the sport of Frisbee Disc Throwing.

GRIFFIN LEADS BIGGEST FROSH CLASS EVER

The largest freshman class with 327 and the first to complete two years at the jr. high is the class of 1982.

They started the year choosing "Hush, you Muskies" as their Deck the Halls theme. It won them a tie for third place!

Class officers at right are **Michelle Hundahl**, Secretary; **Linda Saling**, Treasurer; **Diane Griffin**, President; **Kevin Waetke**, Vice-President.

Freshmen again took the required five classes: general math or algebra, general science, English I, P.E. and Health.

FRESHMEN SIGN FAMOUS NAMES

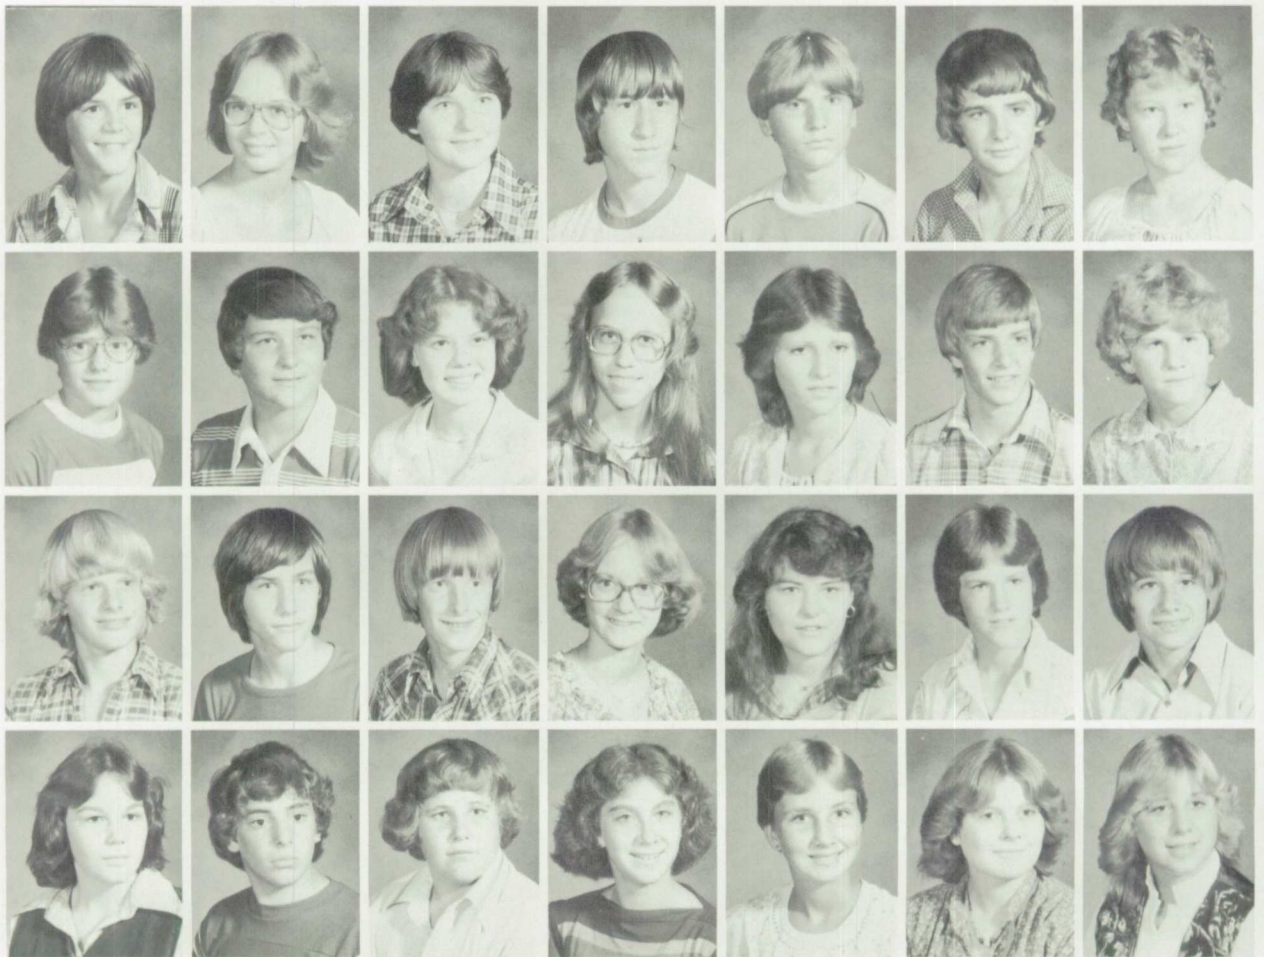

Jane Pauley doesn't really know what to think about having the same name as the N.B.C. newscaster, Jane Pauly. Some people tell her that they saw her on television the other morning.

Would you mind having the same name as the President's brother, Billy? **Bill Carter** doesn't mind. "But a lot of people tease me."

"It doesn't bother me having the same name as Congressman Jim Leach," says **Jim Leach**. People are always asking him if he is related to the Congressman. Jim doesn't think he is. "I love to see my name on billboards."

John Brown has the same name as John Brown from the Civil War.

BRIAN DOWNS EXPLORES THE DEEP

Brian Downs is a freshman with an unusual hobby for this area. Brian's hobby is scuba diving. He first went scuba diving at the age of ten. Brian claims, "It's a whole different world underwater." He enjoys scuba diving because he is all alone to enjoy fish, algae, and corral. Brian feels the scene is exhilarating. He belongs to the Professional Association of Diving Instruction. The PADI is an organization which teaches diving. Brian spends plenty of time diving at Islamorda on the Florida Keys because the muddy Mississippi isn't a great underwater spectacle.

DANCE PERFORMANCES HIGHLIGHT NS FROSH

With a pair of ballet and tap shoes **Tammy Krieter** started her first dance lesson at Rae Dance Studio in Davenport. Tammy's mother started her at the early age of seven.

With her involvement at the dance studio her instructor, Lori Lindville, has had her dance at many local events. Tammy performed for the Davenport Senior Citizens Club, Assumption's PTA and the Mercy Hospital employee's picnic held at the Isaac Walton League.

She has also danced in the Miss Scott County Pageant. Tammy commented that it took a lot of work, effort, and time. She feels it provides good experience for future performances.

Her freshman year found her dancing in "Oklahoma" at NSHS.

TOM TANK TAKES UP AN AGE OLD HOBBY

Beer can collecting is a favorite past-time of many people throughout the world. **Tom Tank** is one of very many beer can collectors from North Scott High School. He has about 400 different beer cans. Tom also has 30 foreign cans which are from Germany, Poland, Denmark, Spain, Canada, and Europe.

Tom's friends and relatives got him interested in beer can collecting. He liked competing with his friends, to see who had the most cans. Tom's grandfather travels around the world and brings him all sorts of foreign cans.

DAVE BEASTON GETS A KICK OUT OF KARATE

"Self defense, competition and just for fun" are some of the reasons why **Dave Beaston** practices karate.

There are four major types of karate: Chinese, Japanese, Korean, and Okinawan. Dave studies Tae Kwon Do, a Korean form of karate which stresses on kicking.

Dave comments that all the instructors start the people in white belt. Everyone first goes through white belt then yellow, green, brown, and all the degrees of black belt. It usually takes four years to get to the eighth degree of the black belt. When reaching the black belt, they are considered professional.

WANTA' DANCE?

MARCH & MAY SPECIAL EVENINGS

For **George Shreves** B.C. '79 was much more than just a dance. At an aud Friday, March 10, a very surprised George was crowned B.C. King while one of the most enthusiastic student bodies in a few years shouted encouragement. Other candidates for the title were Duane Amhof, Brad Hayes, John Loussaert, and Dan Newell.

George and his court reigned over the traditional dance Saturday night, along with the remainder of the Top 10, Lance Bader, Brian James, Dennis Mc Grath, Tim Stecker, and Mike Zimmer. Leather Sole provided the music for the affair, which proved to be quite a success for its sponsors, the senior class. Approximately 300 couples were in attendance.

Junior class officers selected the theme "Sweet Life" for Prom '79. Couples attending the event held at Bettendorf's Ramada Inn were entertained by the band The Daily Planet.

Approximately 125 couples were present.

Selected members of the sponsoring junior class raised funds for the dance through candy sales. In addition, t-shirt sales, a car wash, and bake sales helped in the financing of Prom.

Live palm trees and formally dressed musicians and singers were what awaited the audience for the opening number of Swing Show 1979. "At The Copa," the theme for the show, was performed on March 15, 16, and 17. The Swing Choir did songs from "Laverne & Shirely", "Saturday Night Fever", and Grease". Solos were sung by **Brian James**, **Terry Albrecht**, and **Craig Power** in "Grease." Swing Band played "The Big Dipper," "Feels So Good," with a solo by George Shreves, "Prime Time" and "Wind Machine." The dancers showed their talent by doing steps to "The Wiz" and "Cantina Band" from Star Wars. Emcees for the show were **Dave Baker** and **Jayne Kuehl**.

11 GIRLS TO STATE; POWER WINS 3RD

SNOW SHOVELING TEAMS OPENS TRACK SEASON 79

Head coach **Mr. Dennis Hennigan** described the girls' track team as "respectable and competitive."

The 55 member team placed most favorably at districts, where an overall ranking of 4th was earned out of 13 teams competing. Conference-wise, the team finished 6th out of 8.

The squad boasted 11 girls at the state meet, representing the fields of distance running, hurdles, sprints, softball throw, and high jump.

Summing up the team's accomplishments, Hennigan stated, "We had a fine year."

Claimed head coach **Mr. Delmar Ryan**, 1978-'79 was

the finest year for the boys' track team, with many records set and awards won.

Although Ryan and the track members found the competition stiffer in the new Mississippi-8 conference, Ryan felt the boys "adjusted well."

Outstanding team efforts were shown at Davenport West and at the conference meet. Taking into consideration because of the increased opposition, some of the better games meets resulted in losses for the Lancers.

Craig Power made some excellent individual contributions, which earned his way to the state meet. Power then ran his way to 3rd place in the 220.

Shiela Erps clears the hurdle with room to spare.

With a first year coach, Dale Lacina, and only four returning lettermen, the girls' varsity tennis team was very young.

The number one position was held by senior Nancy Billups, followed by number two Patty Johnson, who captured the Most Valuable Player award. Monica Seghers was designated Most Improved.

Although the team went victory-less, the members displayed a great deal of dedication.

In its second year of existence, the North Scott boys' tennis team and first year coach Bernie Peeters also faced problems of inexperience.

The varsity team was lead by seniors Tim Stecker and Scott Kaczinski in singles. In doubles, Stecker and Kaczinski, in addition to the team of Bill Teubel and Jeff Kaczinski, earned the first points of the season by defeating their opponents at districts. Despite some extremely close matches, the only win for the team came in a match with Clarence-Lowden.

GIRLS TAKE TOP BOYS UPSET MUSCATINE

The girls' softball team, coached by **Mr. Dennis Johnson**, refused to be awed by its new Mississippi-8 opponents, and at one time defeated them all, with the exception of Bettendorf. This allowed the girls to reign as the number one team for the majority of the year.

However, some non-conference rivals proved to be a challenge for the team, including Dubuque Wahlert, a previous winner of the state championship, Calamus, and Wheatland. Despite this, all three fell to the squad at the Lancer Invitational, which earned North Scott the championship.

The contests' Most Valuable Player was junior **Christa Moore**. Excellent performances were also given by senior **Peg Gear**, juniors **Denise Boll** and **Nancy Loussaert**, and sophomore **Alice Darland** and **Alice Way**.

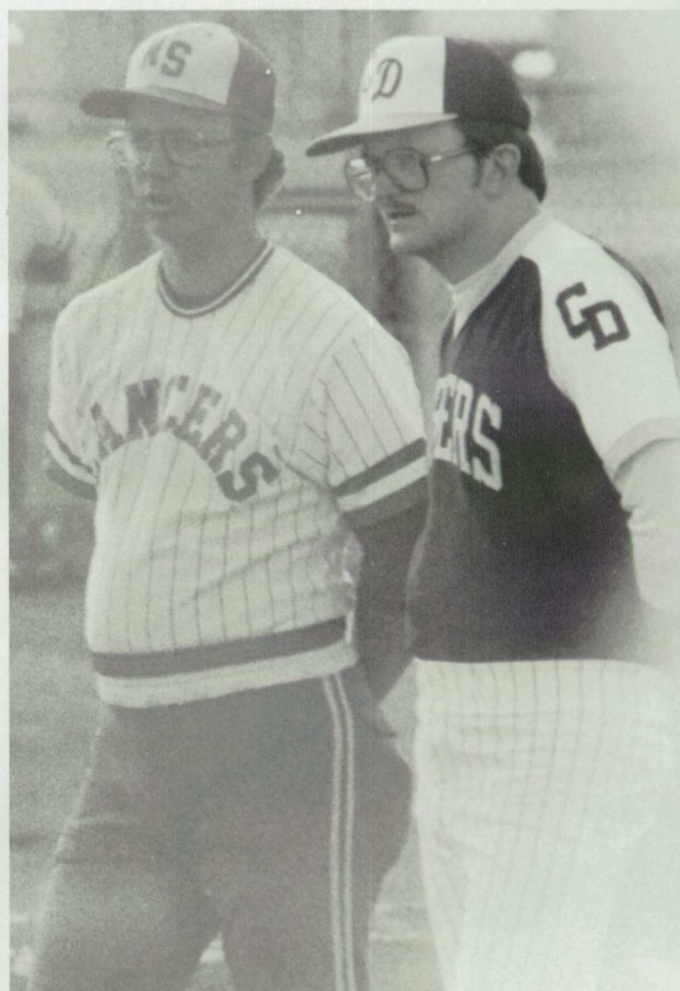

The boys' baseball team had experience on their side for the '79-'80 season, with approximately 2/3 of the team members returning seniors.

This aided the team to defeat one-time conference leader Muscatine, in addition to Bettendorf and Davenport West.

Coach was **Mr. Randy Denner**, and seniors **Randy Spies** and **Duane Amhof** served as honorary co-captains.

A few outstanding players were seniors **Duane Amhof**, **Larry Dalton**, and **Ron Nagle**.

A couple of the Lancer's most challenging opponents were Clinton and Assumption, termed by a member of the teams as "versatile."

Randy Denner discusses the game with the opposing coach.

A relieved **Michelle Steffe** reaches the base before the ball.

As she rounds the bases, **Marcy Weber** concentrates on scoring a run.

While the boys' golf team found it difficult to compete in the new conference, Coach **Mr. Jim Nelson** feels the 11-man squad played well and were close in many of their matches.

Three golfers qualified at the sectional level to go to district competition, and two earned the right to attend the state meet.

Leading the varsity team were seniors **Dave Baker**, a four year letterman, and three year lettermen **Dennis Mc Grath** and **Jeff Mc Nicol**.

Coach **Marcia Wilkins** and team captain **Jane Stutt** lead the girls' golf team through a record-breaking season.

A record low of 211 was earned at a Clinton meet. The team's Most Valuable Player, junior **Audrey Fahrenkrog**, nudged out the previous low individual score with a 45.

At sectionals, the team earned a 4th place finish out of seven teams competing. Although the squad came in last at the conference meet, they were represented in the top 10 golfers by **Fahrenkrog**, who was ranked 8th overall.

Waiting to get on the course: **Joe Cawiezell**, **Brian Grother**, **Dean Brack** and **Louis Norton**.

Student directors were **Teri Hannum** and **Robin Marti**. Main characters were played by **Steve Sissel**, **Kevin Waetke**, **Al Goldis**, **Ruth Bailey**, and **Tammy Kreiter**.

The make-up was elaborate and the set was made of the letters hobbit while serving as a dungeon and a forest. The cast traveled to all of the area elementary schools and gave the full scary, exciting production. The costumes were partially provided by a theater group in Cedar Rapids. "A little neglect may breed mischief: for want of a nail, the shoe is lost; for want of a shoe, the horse is lost; and for want of a horse, the rider was lost."

— Benjamin Franklin

It is in small neglects that energy is wasted too, a cupful, a kilowatt, a cubic foot at a time. Teaching yourself the habit of using energy wisely requires attention to "little neglects" at first. But the effort will reward you with lower energy bills for a lifetime — and it's a step we should all take in the interest of a healthy and productive economic environment.

IT'S CALLED SYNERGISM

Where the whole is greater
than the sum of its parts

All your classroom hours, and extra-curricular
activities give you much more than a diploma.
They are your key to the future. Use them well.
Then see us! We may be able to help open the
door to that future.

Get the Facts. Your Guidance Counselor Has the Straight Scoop.

9 REASONS HIGH SCHOOL SENIORS SHOULD CONSIDER IOWA GUARD MEMBERSHIP

- ★ If you join as a "High School Senior", you will be deferred from your active duty phase until you complete high school, up to a period of 180 days.
- ★ Being a member of the Iowa National Guard is as good as any scholarship that you might receive.
- ★ If you join as a "High School Senior" you will earn more than enough money to pay for your tuition, books and fees at a college of your choice, after return from your Active Duty Phase.
- ★ You will be better qualified to attend college after having served a short period of active duty.
- ★ You can attend college and be in the National Guard at the same time.
- ★ You can attend regular Army technical schools on a voluntary basis, with full pay and allowances, to qualify for both military and civilian careers.
- ★ You can get an appointment to Officer Candidate School in the Iowa National Guard.
- ★ You can travel anywhere in the United States and stay in the National Guard even though you join a local unit.
- ★ Tuition Benefits.

Maybe you belong in the Guard The Guard belongs.

The 1979 SHIELD in Minneapolis: Mike Zimmer, Mary Thee, Jennifer Hill, Marcy Anderson, Doni Van Ryswyk. The National Scholastic Press Association Conference will never be the same!

1979 SHIELD AFTERWORD

The 1979 SHIELD in Northern Iowa: Marcy Anderson, Jennifer Hill, Doni Van Ryswyk, Mary Thee, Mike Zimmer, Mr. Len Cockman. The Happy Chef will never be as happy!

The construction of a good building requires the setting of a good foundation. During our high school years the courses and activities which we have taken have been the foundation for our future years.

It is on our high school knowledge that we base our choices of whether to continue our education or to seek employment. Even after graduation it is on this foundation that we always can expand.

Each brick is one tested on trial and error with each decision we make. Slowly over the years these bricks continue to climb towards a never completely finished building.

This 1978-79 year has mirrored the feeling and growing knowledge of expansion. The adding of better industrial arts facilities and science rooms provided for a chance to work with more advanced equipment.

The continuing additions to our athletic department gives students a chance not only to compete, but also to learn the benefits of good physical conditioning.

Our sports program felt the results of entering the Mississippi Eight Conference. Fans were able to enjoy a NS outdoor addition: the new 2500 seat bleachers.

One of the biggest changes I noticed was not in any of the school facilities, but in the involvement of the Student Congress. This group made more changes and accomplished more than any organization.

The Fellowship of Christian Athletes also saw its membership grow to an impressive size. Featuring outstanding films and speakers, FCA flourished.

I feel that in addition to the classes we take we also learn a lot from these organizations and others like them. I hope that this book will point out some of the many available courses and activities at NS.

North Scott does offer the ingredients to build a strong foundation for our futures. It is up to us to know how we want to use these ingredients. Because it is on this foundation that we must build our lives.

Mike Zimmer, Editor
The 1979 SHIELD
